Quality

Teaching and Learning

Belmont Public School places emphasis on all children achieving their potential in the most essential skills of literacy and numeracy. This focus is reflected in above average achievements in Naplan. For students requiring support or extension, individual support programs at Belmont Public School include:

- **Support Teacher Learning Assistance**
- **Extension and Enrichment for Talented students**
- **Take-Home Reading and Mathematics Scheme**
- **Reading Recovery**
- **Early School Support**

At Belmont Public School students are able to develop technological skills essential for learning across all the Key Learning Areas. These include:

- **Daily access to Interactive Whiteboards**
- **Blogging and Email**
- **PowerPoint Presentations**
- **Word Processing**
- **Internet Research and Web Design**
- **Digital Technologies and Publishing**

Communication about student achievement between the home and school occurs via:

- **Student Portfolio's each Semester**
- **Three Way Interviews and Conferencing**
- **Detailed and personalised written reports**

Our dedicated staff are committed to providing a quality education for your child.
